Being unstoppable - live! Ivo Sasek, the OCG and international teams don't let themselves be stopped. The Friends Meeting 2020 took place via live stream on an unprecedented scale. From 41 countries the big event was followed live. Remote-controlled simultaneous translation stations in 10 languages, a world-wide premiere with a webcam stadium! In addition to countless webcam feeds, thousands of guests logged into the online conference from their living rooms. A sermon on "The secret of being unstoppable" by Ivo Sasek, the founder of the OCG, AZK, KLA.TV, etc.

(Ivo Sasek): "And when you just stop always judging humanly, when something happens - when you simply in principle, cannot be stopped! Yes, then exactly what we are experiencing here, now with this conference happens! You hear: 'Corona! Hall closed!' The last meeting we had: exactly one day before that, the halls were closed. 'So let's see, what is God doing now?' No matter what happens, don't stop! Keep saying: 'Well, okay, what happens now?' Don't complain about your limitations, don't complain about the obstacles, don't complain about your whole environment, but simply ask: 'What's next?' Be open, to receive! You go along with God - in trust! With - that's always a huge difference. And already it begins, there the inspirations start: one person's heart is filled with this, another person's heart is filled with that. Now God is coming along with us, you see? We didn't come up with that ourselves, we just stood there: 'Yes, what are you doing, Lord?' Because God comes along with us, not us with Him, you see?"

A day with a lot of positive atmosphere - despite only "virtual" connection. With fun and a rich artistic program by artists from all over the world. (songs) "There is no better time, no better moment no better hour than now!". We break through, go on, nothing and nobody stops us. Experience God live in us. His field of power is building up"....

The songs are published as extra music videos – find the links to those below. (Ivo) "Yes, I haven't told you yet that I love you. I'll do it in between now: I do not want to pressure you, I love you!
