Welcome to our livestream!

Kla.TV is broadcasting live from Berlin today from the big demo, according to the motto "The day of freedom - the end of the pandemic". The initiators of this big demo are "Querdenken 711" and "Nicht ohne uns".

Thousands of people who stand for freedom, peace and self-determination came from different countries of origin and took to the streets today. None of them wants to accept a new normality, which will only come into existence once a vaccine is available.

Since the public media has either defamed or even censored every dissenting voice through its one-sided and incomplete reporting on the topic of "Corona" during the past weeks and months, Kla.TV is broadcasting this afternoon's livestream from Berlin.
