

# Gaza War: Hidden Warmongers Revealed

Over 40,000 dead in the Gaza war and no end in sight? What is the reason for this? Are there forces in the background who keep fuelling this conflict? Who is behind Benjamin Netanyahu? Who controls Hamas? What is the role of the influential Chabad Lubavitch movement? Did you know that this war was predicted and planned centuries ago? In this program, KLa.TV reveals previously hidden connections and warmongers in the background. Share this program with as many people as you can – especially today, on World Peace Day – so that the incitement of the peoples against each other may finally come to an end.

**Important note:** KLa.TV expressly points out that mentioning persons, backgrounds and connections in this program does not intend to mislead the viewer into making an anti-Semitic judgment. Even when the people and interest groups mentioned in this program act under the flag of the Israeli government and say they are Jews, every viewer should keep in mind that violence, in principle, must never induce racist judgments, regardless of which side is perpetrating it. Because upon closer examination, you often find the following: People who come to the public's attention through investigative journalism divert attention from their acts of violence by putting forward their religious group or nation as a scapegoat or protective shield. Thus hatred and subsequent violence is deliberately and unlawfully directed at a religious community or nation. The fact that, in many cases, you are not dealing with real Jews or real followers of other religions, but with a Luciferian ideology, is explained in detail in the programs "Against Racism and Conspiracy" [[www.kla.tv/23558](http://www.kla.tv/23558)] and "The Secret of the Obelisks" [[www.kla.tv/14340](http://www.kla.tv/14340)]. This documentary as well provides evidence of this very connection.

**Whenever this note should be remembered during the film, pay attention to this signal!**

The war in Gaza is dividing our world into two sides like almost no other subject. While some have been insisting on Israel's right to self-defense since the Hamas terror attack on October 7, 2023, which left 1,139 Israelis dead and 239 hostages kidnapped, the conflicting camp is questioning the proportionality of the attacks in view of the 38,000 Palestinians killed among the Palestinian civilian population. Pro-Palestinian protest camps were set up at universities in the USA as well as in Germany and Switzerland.

The German actor Dieter Hallervorden also commented on this issue in his empathetic and emotional poem "Gaza, Gaza", in which he raised the question of whether Israel's war in the Gaza Strip wasn't a genocide.

The state of South Africa also took up this question by initiating proceedings against Israel at the International Court of Justice in The Hague on December 29, 2023 for an alleged violation of the Genocide Convention ["Application of the Convention on the Prevention and Punishment of the Crime of Genocide in the Gaza Strip (South Africa V. Israel)"], which has since been joined by well over twenty states.

However, what concerns the observers of this conflict, both the pro-Palestinian and pro-Israeli sides, are united in the desire for peace to finally return to the war-torn region.

But why does peace seem so impossible and more distant than ever? Are there possibly forces in the background that have no interest in peace at all and are deliberately fuelling this conflict again and again? Unfortunately, this seems to be the case. One such group, which goes unnoticed by the public, but nevertheless has great influence obviously seems to act as arsonist: It is the religious mystical movement Chabad Lubavitch, which is said to be harmless Orthodox Jews.

**ATTENTION: Please note the preliminary remark on this signal!**

Supporters of radical pseudo-religious satanic ideologies like to give themselves a Jewish cloak of disguise so that they cannot be held accountable for their crimes. While doing so, they always try to draw people onto the false track of a racial division into "Jews and non-Jews". This way, they stir up aggression against the Jewish people as a whole. Kla.tv firmly rejects such racism and advises to judge the individuals in question by their actions and not by race, nationality or religious affiliation."

As we will see later, this extremely radical movement longs for the coming of the Messiah and tries to actively initiate it by creating the necessary conditions from their point of view. A necessary prerequisite is that Armageddon (= According to the Bible, an end-time decisive battle; also: huge, all-destroying catastrophe) has previously occurred as a huge bloodbath. Followers of such an ideology are consequentially not interested in de-escalation and peace for both peoples, as, according to their world view, this would only delay the coming of the Messiah.

Now, one could argue that there have always been some cults with such bizarre world views and that at best only a few fringe people gain enthusiasm for such theories. However, if you take a look at the influence and financial power of the Chabad Lubavitch movement, you can't ignore that this is not just about some marginal figures, but probably one of the most influential movements worldwide.

Founded in the 18th century in what is Belarus today, the Chabad Lubavitch movement is now based in Brooklyn, New York, and its operating costs alone amount to almost a billion dollars a year. This does not include the construction costs of their new buildings, which often cost several million dollars, such as the Chabad campus in San Diego for 25 million dollars.

**Wealth Through Financially Strong Supporters**

These large investments are made possible by extremely influential donors. These include, for example, Eduardo Elsztain, Argentina's largest real estate entrepreneur and president of Chabad Argentina. Joseph Safra, who died in 2020 and was the richest man in Brazil during his lifetime, was also one of Chabad's supporters, as was the South African billionaire Nathan Kirsh. In addition to Georgian and Kazakh billionaires, the Russian oligarchs Roman Abramovich and Lev Leviev, and the Ukrainian oligarch Gennadiy Bogolyubov who built the Ukrainian PrivatBank with Ihor Kolomoyskyi, should be mentioned from the Eastern Bloc. Billionaires from the USA, such as the media czar and former mayor of New York, Michael Bloomberg, the investor Ronald Perelman, the CEO and head of the World Jewish Congress Ronald Lauder and the hedge fund manager Michael Steinhardt, sponsor Chabad.

Donald Trump and the parents of his son-in-law Jared Kushner are also known to generously support Chabad Lubavitch.

According to historian Wolfgang Eggert, the Rothschilds, probably the richest family in the world, are closely connected to Chabad Lubavitch. The ancestors of Mayer Amschel Rothschild, the founder of the House of Rothschild were Jewish rabbis who dealt exclusively with occult mysticism. Mayer Amschel himself also studied the mystical Kabbalah at a

rabbinical school, which also plays an important role in the teachings of Chabad Lubavitch.

### **The Political Influence of Chabad Lubavitch**

In view of these extremely influential benefactors, it is not surprising that the political influence of Chabad Lubavitch is far-reaching. According to the historian Wolfgang Eggert, Chabad has access to the US President at all times and is often invited there. He even goes as far as saying that these presidents were previously "made" by Chabad.

Author Sue Fishkoff puts it in a nutshell: "It's not enough that Chabad's man in D.C. knows the name and phone number of just about every congressman, senator and foreign ambassador in the nation's capital – he also knows their legislative assistants, their secretaries and the people who clean their offices."

The great leader of the Chabad movement in the USA, the so-called "Rebbe", [Rebbe: religious title of honor for the head of the Hasidic grouping (branch of Judaism Chabad belongs to) literally: Lord, Teacher, Master, Rabbi] Menachem Mendel Schneerson even has a holiday dedicated to him, the so-called "Education and Sharing Day", which has been celebrated annually on his birthday since 1978.

Every US president since Richard Nixon has honored the Rebbe and signed declarations in his honor. He was the first religious person ever to be awarded the US Congressional Gold Medal. At his death, "Rebbe" Schneerson was described as "World Leader" by the President of the Rabbinical Council in America.

The doors of Chabad seem to be wide open not only to politicians in the USA, but also to politicians in other countries. They can be seen with Canadian Prime Ministers Stephen Harper and Justin Trudeau as well as with former British Prime Minister Boris Johnson. French President Emmanuel Macron and German Chancellor Olaf Scholz lit the candelabrum at the Chabad Lubavitch event. When Chabad inaugurated a new community center in Berlin-Wilmersdorf, for 5 million euros, Frank-Walter Steinmeier – then still German Foreign Minister – was present.

Green Party leaders Annalena Baerbock, Robert Habeck and Ricarda Lang also appeared together with Chabad-Lubavitch representatives. The fact that our leading politicians from the SPD and the Greens are showing themselves with a movement representing such a racist and nationalist image of man as that of Chabad Lubavitch, is very irritating. After all, they always present themselves as "exemplary" fighters against racism. Or does that only apply when you can use it to defame the political competition?

In addition to the German heads of state, both Ukrainian President Zelensky and Russian President Putin maintain good relations with Chabad Lubavitch.

In 1999, at the time when Boris Yeltsin as acting Russian president appointed the then still unknown Putin as prime minister, the oligarch Gusinsky posed a potential threat to Putin and Yeltsin. At the time, Gusinsky headed the umbrella organization of Jewish communities in Russia [Russian-Jewish Congress]. In order to outdo him, Putin commissioned two of his closest confidants - the oligarchs Leviev and Abramovich – to found an alternative Jewish umbrella organization [Federation of Jewish Communities of Russia]. They appointed the Chabad rabbi Berel Lazar as its leader. Abramovich and Leviev later became the biggest sponsors of Chabad Lubavitch worldwide. Gusinsky, on the other hand, was arrested a year later by Putin's government and forced into exile. On the day of his arrest, "Chabad Rabbi" Lazar had elected himself as Russia's Chief Rabbi, although there was already a Chief Rabbi from the competing umbrella organization. However, only Berel Lazar was recognized by the

Kremlin, which earned him the nickname "Putin's rabbi".

How close the ties between Putin and Chabad are still today is shown by an incident in 2023, when the Deputy Secretary of the Russian Security Council Alexey Pavlov described "Chabad Lubavitch" in Ukraine as a supremacist sect. A supremacist is someone who believes in the superiority of a particular group or race. Within a few months, he was removed from office on Putin's instructions.

But was Pavlov really so wrong with this statement? If you take a closer look at the following quote from Chabad-Lubavitch' founder Shneur Zalman, he obviously does very well believe in the superiority of his own race.

**ATTENTION: Please note the preliminary remark on this signal!**

The souls of non-Jews are of a completely different and inferior quality. They are absolutely evil [...] All Jews have always been inherently good, all non-Jews inherently bad." The fact that this was not simply a slip by Shneur Zalman can also be seen from the fact that he also wrote this down in his book "Tanya", which is still the central foundational work of the movement:

Quote from chapter 1:

"The souls of the nations of the world however, emanate from the other, unclean kelipot [editor's note: this means the evil forces] which contain no good whatever."

Quote from chapter 6:

"However the kelipot are subdivided into two grades, one lower than the other. The lower grade consists of the three kelipot, which are altogether unclean and evil, containing no good whatever. (...) From them flow and derive the souls of all the nations of the world. (...) and also the souls of all living creatures that are unclean and unfit for consumption."

**ATTENTION: Please note the preliminary remark on this signal!**

Zalman thus places the souls of non-Jews at the level of unclean animals and the movement has not distanced itself from these statements to this day.

The founding father is not alone in this. The "Rebbe" Menachem Mendel Schneerson also commented as follows:

**ATTENTION: Please note the preliminary remark on this signal!**

"Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness."

Here is another quote from the Rebbe: "The following can be said about the body:

**ATTENTION: Please note the preliminary remark on this signal!**

The body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world. ... The entire creation exists only for the sake of the Jews."

**ATTENTION: Please note the preliminary remark on this signal!**

It should be noted, however, that Chabad Lubavitch's racist view of humanity is not based on the Torah and Judaism, but seriously distorts Jewish teaching. If you study the Torah, it becomes clear that God does not simply see Israel as an exalted divine people, but to the contrary attests to his people that he has chosen them as the least among the nations (Deuteronomy 7:7+8). He wanted to lead them to where they would encourage the other nations in doing good, through their example, (Deuteronomy 4:6; 1 Kings 8:43; 2 Chronicles

6:33) and not brutally subjugate and oppress the other nations. When God intervened together with Israel against the pagan nations, it was primarily because those had become involved in satanic child sacrifice and similar practices. Whenever Israel fell into these practices themselves, such as the cult of Baal and Moloch, they were also punished by God and eventually even sent into Assyrian or Babylonian exile (Deuteronomy 12:31; Leviticus 18:21; 2 Kings 16:3; Isaiah 57:3-5; Jeremiah 7:31). You can read more about these connections in the brochure: "Yahweh – Creator God or Devil?" by Ivo Sasek. Even though God started out with Israel as a people, he has always wanted to be the God of all people (Malachi 1:11; 1 Timothy 4:10).

The fruit of the racist teachings of Chabad Lubavitch can be seen in a disciple of the "Rebbe", the Chabad Rabbi Yitzchak Ginsburgh. After pupils at his religious school shot and killed a 13-year-old Palestinian girl, Ginsburgh commented as follows:

**ATTENTION: Please note the preliminary remark on this signal!**

"It should be recognized that Jewish blood and a goy's (Goyim = Gentile, non-Jew's) blood are not the same."

Chabad-Rabbi Ginsburgh also praised the deed of Baruch Goldstein, who killed 29 Palestinians and injured 150 with his gun, and called him a martyr.

With this division into Jews and non-Jews, the leaders of Chabad Lubavitch are deliberately leading people down the wrong path of racial division. Instead of calling Goldstein a mass murderer in the mentioned occurrence, Chabad-Rabbi Ginsburgh discusses Jewish and non-Jewish blood. On the one hand, he tries to hide Goldstein's heinous deeds behind his nationality and, at the same time, associates all Jews with this terrorist attack, even if they do not approve of it. In doing so, he himself fuels hatred of Jews and redirects the victims' anger towards all Jews instead of the actual terrorists. By acting in this way, the leaders of Chabad Lubavitch are proving themselves to be enemies of the Jewish people.

It is worrying that this mindset of dehumanizing other peoples propagated by Chabad Lubavitch has penetrated into the foremost circles of Israeli politics:

Eli Ben-Dahan, then deputy defense minister of Israel, said about the Palestinians in 2013: "To me they are like animals, they aren't human."

On October 9, 2023, Yoav Galant, Israeli Defense Minister said: "I have ordered a complete siege on the Gaza Strip. There will be no electricity, no food, no fuel, everything is closed. We are fighting human animals and we act accordingly."

On October 10, 2023, Daniel Hagari, spokesman for the Israeli army, said the army was dropping hundreds of tonnes of bombs in the attacks and that "the emphasis is on damage and not on accuracy."

On October 10, 2023, Tally Gotliv, member of parliament for the Likud party said, quote: "Shooting powerfull missiles without limit. (...) Crushing and flattening Gaza. (...) Without mercy! Without mercy!"

In November 2023, Galit Distel-Atbaryan, MP and Israel's former Minister of Information said: "Invest your energy in one thing: erasing all of Gaza from the face of the earth. We need a cruel, vengeful Israel Defense Forces. Anything less is immoral."

Dan Gillerman, Israel's permanent representative to the UN from 2003-2008: "I am very puzzled by the constant concern which the world is showing for the Palestinian people, and is actually showing for these horrible, inhuman animals who have done the worst atrocities

that this century has seen."

Mordechai Kedar, Israeli scholar at Bar-Ilan University in Israel in November 2023: "I do not equate them with animals because that is an insult to animals."

Israeli Prime Minister Benjamin Netanyahu is taking the same line, reminding in a press conference about the Gaza war of the biblical commandment to "remember what Amalek has done to Israel". "And we do remember, and we are fighting." He thereby associates the Palestinians with the people of Amalek, who were to be wiped out by the people of Israel in the Old Testament. Is this statement an indication that genocide is being committed against Palestinians?

Netanyahu has maintained a close relationship with Chabad Lubavitch for decades and has himself regularly been advised by their rabbis.

Here is a recording of the young Netanyahu with Chabad Lubavitch icon Rebbe Menachem Mendel Schneerson:

(Rebbe): "Much success. I haven't seen you in a long time. Blessing and success! A double portion of benediction."

Benjamin Netanyahu (B.N.): "I came to ask your blessing and help."

Rebbe: "In everything."

B.N.: "In all areas – both personal and political."

Rebbe: "Since we last met, many things have progressed."

B.N.: "Many things have progressed."

Rebbe: "What hasn't changed, however, is that Messiah still hasn't come; So, do something to hasten his coming."

B.N.: "We're doing, we're doing..."

Rebbe: "Apparently it's not enough, since many hours have already passed today and he's still not here... But there are still a few hours left in the day, so try still for today!"

B.N.: "Yes."

Rebbe: "Good tidings – with joy and happiness."

Schneerson calls on Netanyahu to bring about the coming of the Messiah. But what does that mean? Before the Messiah can come according to this doctrine, the world must go through Armageddon, through great tribulation, moral decay, invasions and confusion. And above all, huge wars. Rabbi Elyahu Kin explains that the third war, which would make the second world war seem insignificant, will be the beginning of redemption.

So could it be that Netanyahu is supposed to help the coming of the Messiah by escalating the Middle East war until it develops into a conflagration encompassing the whole world? Because according to a prophecy by Rebbe Menachem Mendel Schneerson from the 1990s, Netanyahu will be the prime minister who will hand over the sceptre to the Messiah. Thus a great incentive for Netanyahu to do everything he can to achieve this goal.

The situation currently seems to grow more and more acute: because in September 2023, red cows specially bred in Texas were brought into the country. According to the traditions of religious fanatical circles, the ashes of a sacrificed red cow would be one of the prerequisites for building a temple. Hamas spokesman Abu Obaida even cited the red cows brought to Israel, the sacrifice of which was to serve as ritual preparation for the construction of the temple, as one of the reasons for the war. Radical forces such as the Temple Institute in Jerusalem openly admit that they are pursuing the goal of erecting this 3rd temple on its original site. This would mean that the Al-Aqsa Mosque, the third most important place of worship in Islam, and the Dome of the Rock (the oldest monumental sacred building of Islam) would have to make way for this – which would probably finally trigger the escalation of the conflict between the Jewish and Islamic worlds.

This escalation of the conflict between Jews and Muslims into a widespread conflagration is an agenda that has been driven by satanic circles for centuries. In 1871, the US war general and Satanist Albert Pike outlined three coming world wars in a letter to the Illuminati leader Mazzini. In his letter, the High Degree Freemason and Satanist Pike accurately predicts the emergence of World War 1 and World War 2, with World War 2 leading to the founding of the state of Israel. He then goes on to talk about Armageddon:

“And then a third world war. It is to arise in the Middle East, and it is to be a war between Judaism and Islam that spreads throughout the world. This war between Muslims and Judaism is intended to finally bring about this Armageddon.”

Just how far these circles are prepared to go in realizing their delusions is shown, of all people, by the Rothschilds, who are closely associated with Chabad Lubavitch and the persecution of Jews in the Third Reich.

In the late 19th century, Edmond de Rothschild massively promoted the settlement of Jews in Israel, as according to Kabbalistic interpreters, the Jews must return to their land in order for the prophecies of the end times to be fulfilled. At that time there were only a few thousand Jews in Israel and the Rothschilds tried to motivate Jews to return to Israel by supporting them financially. In the 1920s, during the Weimar Republic, only a few Jews were prepared to give up their homeland and move to the desert. 60% of the Jews were married to Germans and were in the process of blending with them. This was a thorn in the side of the Rothschilds and other fundamental Zionist circles.

[Zionism: radical political movement aimed at illegally establishing and maintaining a Jewish nation-state within the former historical borders (in Palestine and beyond)].

As various historians can prove, the Rothschilds and their Wall Street allies, such as the Rockefellers, Warburgs and Harrimans, financed the rise of Adolf Hitler with many millions of dollars. Hitler was also supported with millions via the Royal Dutch Shell, which the Rothschilds controlled together with the Dutch royal family.

Former German Chancellor Heinrich Brüning wrote at the end of the Second World War: "One of the main factors in Hitler's rise was the fact that he received large sums of money from foreign countries in 1923 and later. The financing of the Nazi party, partly by people you would least expect to support it, is a chapter in itself."

The rise of Hitler led many Jews to emigrate from Germany out of fear of the Nazis. The only option for many was to go to Palestine, because of the pressure from the Zionist lobby [Zionism: radical political movement aimed at illegally establishing and maintaining a Jewish nation-state within the former historical borders (in Palestine and beyond)]. Many preferred emigration states such as the USA, Australia and Canada rejected the Jewish emigrants. By forcing the Jews to resettle in Palestine, the Zionists [Zionism: radical political movement aimed at illegally establishing and maintaining a Jewish nation-state within the former historical borders (in Palestine and beyond)] turned out to be those who implemented Albert Pike's plan who had explicitly outlined the founding of the state of Israel as the goal of the Second World War.

Interesting in this context is the answer of the Lubavitch Rebbe Schneerson to the question how the persecution of the Jews in the Third Reich could have happened if the God of Israel ruled the world. According to Israeli writer Yoram Kaniuk, the Rebbe declared that there was a rotten branch in Judaism that had to be sawn off.

If Schneerson really did say that, it should be pointed out here that such inhuman attitudes are not compatible with true Judaism. As the apostle Paul already stated in Romans 2:28-29:

For he is not a Jew who is one outwardly, [...] but he is a Jew who is one inwardly..."

This is especially true for these families, such as Rothschild and Rockefeller, who repeatedly misuse their Jewish origins as a shield when their evil deeds are criticized. They may be of Jewish descent, but their works show that they are not Jewish in essence. In fact, it is rather as Jesus already pointed out in Revelation 3:9, they "say that they are Jews and are not, but a synagogue of Satan". Anyone who – for the sake of their ideology – exposes hundreds of thousands of people to cruel death in wars is truly possessed by Satan.

Speaking of the Synagogue of Satan: There are clear indications of occult practices in Chabad Lubavitch. For example, when Pope John Paul II announced his visit to Israel at the turn of the millennium, Chabad activists performed the death ritual *Pulsa diNura*. The television station Channel 2 even broadcast the ritual on television. The participants cursed the head of the Catholic Church as an "enemy of Israel" and made black magic calls on shofars to the spirit world so that they would send death down upon the Pope.

One month before the death of the former Israeli head of state Yitzhak Rabin – who was driving forward the peace process – such a ritual was also carried out by extremist rabbis in front of his house.

With its Armageddon visions, Chabad is in line with the Satanist and Freemason Albert Pike. Like Chabad Lubavitch, he was guided by the mystical Kabbalah and it seems that Chabad Lubavitch is one of the groups who have set out to implement Albert Pike's plans. One of the key figures in this game is Prime Minister Netanyahu, who is under their influence and is increasingly pushing ahead a confrontation with Muslims. Even if Netanyahu always presents himself as emphatically patriotic, it is highly questionable whether the escalation he is fomenting is really beneficial to the Jews. Pike wrote the following in his letter about the conflict:

"The third World War must be fomented by taking advantage of the differences caused by the 'agentur' of the 'Illuminati' between the political Zionists [Zionism: radical political movement aimed at illegally establishing and maintaining a Jewish nation-state within the former historical borders (in Palestine and beyond)] and the leaders of Islamic world. The war must be conducted in such a way that Islam (the Moslem-Arabic world) and political Zionism (the state of Israel) mutually destroy each other."

Here it becomes clear that both Jews and Palestinians are being sacrificed on the altar of these Satanists. Even if the advocates of this agenda like to pretend to be Jews and brand any criticism as anti-Semitic, they are in fact the real anti-Semites who use Jews and Muslims as pawns in their vile plans. It is therefore not expedient to side with either the Palestinians or the Israelis, because both sides are victims of the arsonists in the background. As shown in the documentary "The Mystery of Israel – Solved" [see [www.kla.tv/27352](http://www.kla.tv/27352)], the Israeli leadership was not simply surprised by the Hamas attack in October 2023, but its fighters were literally invited to commit their evil deeds by allowing them to cross the normally best-secured border in the world unhindered so that they could then start this war.

The Hamas leadership in Qatar lives in immense wealth, while its people in the Gaza Strip languish in poverty. The three leading figures in Hamas are worth a total of 11 billion dollars. Where did they get their wealth? Certainly not from donations from their own people.

### **Hamas – built by Israel itself?**

There are clear voices and indications that Hamas was deliberately built by the Israeli government itself as a radical force to play precisely the role it needs for this conflict to escalate. Here are some quotes:

Gregor Gysi (German politician of the Left political party)

"Incidentally, it was also the Israeli secret service that founded Hamas as a competitor to the PLO [PLO = umbrella organization of Yasser Arafat's moderate Fatah]."

Avigdor Lieberman (former Israeli minister):

Former Israeli minister Avigdor Lieberman accuses Netanyahu of 'begging' the Qatari leadership to continue supporting Hamas.

Yasser Arafat (President of the Palestinian Authority from 1996 - 2004) in 2001:

"Hamas is a creature of Israel.(...) Even (former Israeli Prime Minister) Rabin ended up admitting it, when I charged him with it, in the presence of (Egyptian president) Mubarak."

Benjamin Netanyahu:

"Anyone who wants to thwart the establishment of a Palestinian state has to support bolstering Hamas and transferring money to Hamas. ... This is part of our strategy to isolate the Palestinians in the West Bank."

Conclusion: It can be assumed that the Hamas leaders themselves are part of this conspiracy, which would also explain why they are taking positions in negotiations that are causing this conflict to escalate more and more. For years, Hamas has also been carrying out thousands of missile attacks with very primitive missiles. In military terms, these attacks make little sense, as these missiles can hardly be controlled and therefore cause little damage to the other side. On the other hand, the use of missiles provides a welcome rationale for the Israeli government to its own nation and the world's public, so that it can justify its bombing of the Palestinians with thousands of dead women and children. Despite these decades of negative experiences, Hamas is persisting with these attacks, which are detrimental and senseless for its people. Those who suffer are the people of Palestine, men, women and children, who have been suffering for decades as a result of this deliberately fomented conflict.

Once again we see that the current world catastrophes do not happen by chance, but are deliberately brought about, and that the perpetrators presented to the world's public are not the actual initiators of these events!

In this case, both Palestinians and Israelis are the victims of these fanatical and radical backers – which has already cost and will cost countless innocent lives if these developments are not stopped.

But how can this massive bloodshed, targeted by the end-time cults, be prevented? Since these conspiratorial circles completely twist the words of the Bible and want to force a bloody Armageddon on the basis of these fatal distortions, we would like to point out at the end of this program how the Bible describes the end of these conspirators. It promises victory over these conspiratorial forces at the very moment when people with truth and justice in their hearts unite and tear these sinister plans to the light. The Bible calls this educational work the "breath of the mouth" and it is precisely this breath that will achieve bringing down the seemingly overpowering warmongers completely.

2 Thessalonians 2:8

"Then that lawless one will be revealed whom the Lord Jesus will slay with the breath of his mouth."

Revelation 3:9

"Behold, I will cause those (people) of the synagogue of Satan, who say that they are Jews and are not, but lie, I will make them come and bow down at your feet, and make them know that I have loved you."

Revelation 20:1-3a

"Then I saw an angel coming down from heaven, holding the key of the abyss and a great chain in his hand. And he laid hold of the dragon, the serpent of old, who is the devil and Satan, and bound him for a thousand years; and he threw him into the abyss, and shut it and sealed it over him."
